News Brief

Environmental Impact Statement Volume 2 Submission

Generation PGM Inc. (GenPGM) is pleased to announce the submission of the second half of the Environmental Impact Statement (EIS) Addendum to the Impact Assessment Agency of Canada (IAAC).

The submission includes the following Chapters and Appendices:

- **Chapter 5:** Indigenous, Public and Agency Consultation and Engagement
- **Chapter 6:** Assessment of Potential Impacts
- **Chapter 7:** Environmental Management
- **Chapter 8:** Table of Commitments
- **Chapter 9:** Assessment Summary and Conclusions
- **Appendices:** Updated Technical Reports and Supporting Information

The Volume 2 EIS Addendum is the final document to address the 2014 Information Requests (IRs) from the previous Joint Review Panel (JRP) before the Project went on pause. The regulatory clock will now restart and the Marathon Palladium-Copper Project will take a step forward towards permitting and Project construction.

A public comment period has been established from **April 19, 2021 to June 27, 2021**. Please submit any questions or comments on the EIS Addendum by email to:

iaac.marathonminereview-examenminemarathon.aeic@canada.ca

or by going to the website at:

<https://iaac-aeic.gc.ca/050/evaluations/proj/54755/participation>

GenPGM also welcomes your comments directly on an ongoing basis through our Company email:
