

GENERATION PGM

News Brief

Public Review Period

In April 2021, Generation PGM Inc. (GenPGM) submitted the final document for the Environmental Impact Statement (EIS) Addendum to the Impact Assessment Agency of Canada (IAAC) and restarted the regulatory clock for the Marathon Palladium-Copper Project. Now that the EIS Addendum has been submitted, the Joint Review Panel (Panel) is inviting the public to comment and provide their thoughts on the Project.

The review period will end on **June 27, 2021**. All comments received during this time will be considered by the Panel to determine if more information is required from GenPGM on the Project.

To submit any questions or comments directly to the government, please email:
